CHINESE ATTACK ADMIRAL TRAIN

American Officer and His Son Roughly Handled by Mob at Nanking.

MARINES LANDED

Obliged to Fire Twice Into Ranks of Heathen Rioters.

SON OF ADMIRAL TRAIN HELD AS A HOSTAGE--CHINESE OFFICIALS UPHOLD ACTION OF VILLAGERS--INCIDENT CONSIDERED SERIOUS BY STATE DEPARTMENT OFFICIALS.

By Associated Press.

London, Oct. 30.—A dispatch to the Evening Standard from Shanghai says: Admiral Train, commander of the American Asiatic squadron and his son, Lieut. Train, have been the victims of a savage attack by Chinese outside of Nanking.

The American officers were pho-
sant shooting when the admiral ac-
cidentally shot a Chinese woman, slight-
ly injuring her. Hundreds surround-
ed the officers, took away their guns,
knocked the admiral down in the mud
and held Lieut. Train as a hostage.

Forty American marines were land-
ed as a rescue party and were attack-
ed by the mob. The marines were
obliged to fire twice.

Chinese officials refused to restore
the officers their guns and supported
the villagers.

**CONSIDERED SERIOUS BY
STATE DEPARTMENT.**

Washington, Oct. 30.—The state de-
partment has cabled the United
States consul at Nanking, asking par-
ticulars about the case of Admiral
Train, who, according to a cablegram
from Shanghai, got into serious trou-
ble in Nanking, after accidentally
wounding a Chinese woman.

In view of the present strained re-
lations between the United States and
China, and particularly on account of
Nanking being the center of the move-
ment to boycott American goods, the
incident is regarded as serious.

Neither the Chinese minister in this
city nor the state department has been
officially notified.

ONCE IN CONGRESS NOW IN CHAIN GANG

By Associated Press.

Augusta, Ga., Oct. 30.—George
Washington Murray, once admitted to
the councils of the nation as a mem-
ber of congress from South Carolina,
although a black negro, will have to
spend the next three years cracking
rock and road building as a member
of the chain-gang of Sumter county,
though he is the largest land owner
in that county. The Supreme court
today denied the appeal of his attor-
neys for a rehearing of his case. His
punishment is for forging the names
of ignorant negroes to land leases.

WILL CLEAR UP THE BOSTON MURDER

Pittsburg Detectives Believe the "Dress Suit" Victim Died After a Criminal Operation.

By Associated Press.

Pittsburg, Oct. 30.—The police and
detectives firmly believe they have
enough information to clear up the
celebrated Boston "Dress Suit" mur-
der case.

As a result of admissions by Morris
Nathan, to whom Susan Geary, the
victim of the crime was engaged, it is
believed that death resulted from a
criminal operation performed by a
woman in Boston and that the body of
the girl was afterward mutilated to
hide the face.

The name of the woman was divulged
by Nathan and the local officials
immediately dispatched the informa-
tion to the Boston authorities to ap-
prehend her.

ARGUMENTS TO BE HEARD TO-DAY

**Motion to Dismiss Temporary In-
junction in Fumigation Case,
to be Heard.**

Arguments in the case wherein M.
L. Roch secured a temporary restrain-
ing order to prevent the fumigation
of his home upon Government street,
will be heard this morning before
Court Commissioner Coston. Mr.
Roch, through his attorney, Scott M.
Lofin, secured the injunction Satur-
day and prevented fumigation of his
home.

The injunction was only temporary,
and yesterday City Attorney Jones,
acting for the city, filed a motion
with the court commissioner to dis-
miss the order.

This was to have been argued yes-
terday afternoon, but Mr. Lofin was
not ready for the argument, so upon
request it was postponed until this
morning at 10 o'clock.

Much interest attaches to the case
and the decision of Commissioner
Coston will be anxiously awaited.

THREE HUNDRED YEARS OF ABSOLUTISM ENDED

**Czar of Russia Waives Right Exercised by Romanoffs for Cen-
turies And Surrenders to Will of Russian People--Witte
Created Premier With Unusual Powers.**

By Associated Press.
St. Petersburg, Oct. 30.—Tonight
the autocracy of the Romanoff and
the old order of things ceases to exist
in Russia.

Emperor Nicholas has surrendered
and Count Witte comes into power as
Minister President with a imperial
mandate, which will enable him to
convert a farcical assembly into a
legislative body, elected by greatly
extended suffrage, and to confer upon
the people fundamental civil lib-
erties, including free speech.

**WITTE SENDS MESSAGE
TO AMERICAN PEOPLE**

St. Petersburg, Oct. 30.—"I am sure
the American people, who understand
what freedom is, and the American
press, which voices the wishes of the
people, will rejoice with the friendly
Russian nation at this moment, when
the Russian people have received from
his imperial majesty promises and
guarantees of freedom and will join
in the hope that the Russian people
will wisely aid in the realization of
these liberties by co-operating with
the government for their peaceful

introduction. Only thus will it be
possible to secure the full benefits
of freedom conferred upon the peo-
ple."

Count Witte, Russia's first premier,
tonight sent the above message to the
American people through the Asso-
ciated Press. He had just arrived at
his residence on Kammenovoy from
Peterhoff, where the emperor, two
hours before, had given his final ap-
proval to the manifesto and to the
program which will forever end the
rule of absolutism exercised by him
and his Romanoff ancestors for three
hundred years.

of Asia Minor, killed Admiral Birehoff
and Admiral Choukhtin and sailed
back to Sevastopol after hoisting the
revolutionary flag. It is impossible
to verify the rumors. The authorities
are confiscating political telegrams.

**OVER ONE HUNDRED
KILLED OR WOUNDED**

Reval, Oct. 30.—Troops fired two
volleys on the crowd in the market
place today, killing or wounding over
one hundred persons.

Crowds of people are parading the
streets singing "Marseillais."
A mob last night destroyed the Ho-
tel de France.

PRESIDENT AT VIRGINIA CAPES

By Associated Press.

Norfolk, Oct. 30.—The cruiser West
Virginia, with President Roosevelt on
board, conveyed by the cruisers Colo-
rado, Pennsylvania and Maryland,
passed the Virginia capes at nine

sea it was decided that the Presi-
dent would not transfer to the Dol-
phin at Lynn Haven inlet as in-
tended. The Dolphin and cruiser
squadron proceeded up Chesapeake
bay and the transfer will be made at
Smiths Point, the mouth of the Potomac.

and Frank Dunham, who were to have
left yesterday for London, via New
York, to join Bennie Dunham, the fam-
ous acrobat, did not depart. They will
leave today, however.

REPLY FROM THE PRESIDENT RECEIVED

**Regretted that He Could Not Visit
Pensacola on His Southern
Trip.**

President Roosevelt, who was in-
vited by Mayor Bliss to visit Pensacola
on his southern trip, has replied to
the invitation of the mayor, though
the letter was late in reaching its des-
tination.

The letter, which was signed by Wil-
liam Loeb, Jr., secretary to the Presi-
dent, stated that the President re-
gretted very much that circumstances
would not permit him changing his
itinerary.

The letter was written after the
President had left Memphis.

Mayor Bliss in sending his telegram
to the President thought possibly that
the latter might either embark here
or pay a visit to the port en route to
Norfolk.

LITTLE GIRL DIED

EARLY LAST NIGHT

Annie Gertrude, the little daughter
of Officer and Mrs. Charles Neel, of
No. 120 B street, expired last night
at 10:30 o'clock, after a short ill-
ness.

The little girl was taken ill Satur-
day morning, but her condition did
not seem to be at all dangerous until
yesterday afternoon, when she was
suddenly taken worse, expiring soon
afterwards. Death was due to yellow
fever.

The bereaved parents have not yet
decided upon the hour of the funeral.

LARGE NUMBER OF PERSONS COMING HOME

Pensacolians, who left here several
weeks ago for points in the north, on
account of the outbreak of yellow
fever, are now returning in large num-
bers.

Each train from the north brings
in a number of the refugees, and it is
expected that this will continue until
all of the absentees reach home, which
is expected to be in a short time.

Absent Three Months.

After an absence of three months,
which he spent traveling between Pen-
sacola and Jacksonville for the Ar-
mour Packing Company, Robert W.
Scholls returned to the city last night.
He had been prevented from coming
to the city on account of the yellow
fever quarantine.

**Only Six New Cases Reported to
the Health Authorities on
Monday.**

ONLY FIVE SUNDAY

**Believed that Disease Will Shortly
Be Eradicated.**

**COOL WEATHER, FUMIGATION
AND PRECAUTIONS OF HEALTH
OFFICERS RESPONSIBLE FOR
GOOD SHOWING--EMBARGO UP-
ON BANANAS LIFTED--FUMIGA-
TION WILL BE CONTINUED.**

Following is the official sum-
mary of the yellow fever situa-
tion up to last night:
New cases 6
Total to date 538
Deaths yesterday 0
Total to date 77
Cases discharged 397
Cases under treatment 66

Six new cases and no deaths. This
is Monday's record of the yellow fever
situation, as compiled at the headquar-
ters of the State Board of Health last
night. The record for Sunday was
five cases and no deaths.

The small number of cases that are
now developing causes everyone in
Pensacola, who has the welfare of the
city at heart, to become more confi-
dent that the disease will shortly be
eradicated and to praise the state
health officials for the excellent work
which has been accomplished since
sufficient funds have been available.

The cool weather, the manner in
which cases have been handled and
the thoroughness of the fumigation
work, is responsible for the decrease
in cases and also for preventing a
spread of the disease.

The New Cases.

The news cases reported last night
are:
Mrs. H. Monk, 16 West Gregory
street.
Mrs. Kenster, 513 East Wright
street.
Mrs. Perdue, 414 East Wright street.
B. F. Bryant, 1321 North Davis
street.
Infant of E. E. Ligen, No. 7 East
DeSoto street.
Lloyd Durham, East Wright street.

Sunday's Cases.

Sunday's report, which shows five
new cases, and no deaths, is as fol-
lows:
Dr. H. J. Wright, Manhattan Hotel,
Annex, Corn. of Baylen and Garden
streets.
Annie Bookie, 619 East Salamanca
street.
Julia Johnson, 316 East Romana
street.
Modeste Cunningham, colored, 31
South Baylen street.
George Harrel, colored, Corner
Gadsden and DeVilliers street.

Embargo Lifted.

Dr. Porter yesterday lifted the em-
bargo against bananas, which was
placed against their shipment into
Pensacola during the first outbreak of
the fever. This embargo was placed
at the request of Mayor Bliss, and
when the state health officer yester-
day received a request to allow ship-
ments to be received he did so imme-
diately. He never did believe, how-
ever, that the stegomyia which infests
bananas would prove a menace to the
public health, as they are of the male
variety. Pensacolians will now have
the pleasure of again securing ban-
anas and other fruits which have not
been allowed to be imported to the
city for the past two months.

Fumigation Continuing.

Dr. Porter is in receipt of a tele-
gram from President Hendry of the
State Board of Health, relative to the
opposition being met with here regard-
ing fumigation. The president of the
board was greatly surprised, inasmuch
as the citizens of the city petitioned
for this fumigation, and said if the
opposition continued to cease fumiga-
tion. He nevertheless, believed that
the best citizens were behind the
movement to stamp out the fever, and
that the innocent majority should be
protected against the acts of a few.

Dr. Porter stated last night that the
fumigation would continue unless the
opposition prevented the men from
doing their work. The reports last
night showed that 273 houses had
been fumigated during the day, mak-
ing a total of over 3,500 during the
past two weeks.

NOW COMES THE TIME WHEN THE MODERN PIED PIPER BEGINS TO GATHER IN OUR YOUNG ONES.
